## INTRODUCTION

Whereas,

- 1.1. In keeping with the legacy of SANTORIO SANTORI (SANCTORIUS, 1561-1636) and with the principles and will of MARCELLO COMEL founder of the INSTITUTIO SANTORIANA – FONDAZIONE COMEL (from now on ISFC), the ISFC is committed to promoting the study of medicine, science and humanities in their relation to the safeguard of health and the protection of the environment;
- 1.2. in keeping with the advice of Dr Fabrizio Bigotti, in January 2016 the ISFC has instituted an international scheme to support PhD students and early career researchers to promote the study of history of medicine and science, titled SANTORIO FELLOWSHIP FOR MEDICAL HUMANITIES AND SCIENCE;
- 1.3. the ISFC has entrusted Dr Fabrizio Bigotti with the responsibility to maintain the above-mentioned relationships and to expand them into a larger network so as to include universities, national and international institutes as well as research centres, wherever necessary or opportune for the sake of promoting the ISFC scientific goals;
- 1.4. in January 2018 an international institute of advanced studies in medical humanities and sciences called CENTRE FOR THE STUDY OF MEDICINE AND THE BODY IN THE RENAISSANCE (from now on CSMBR) has been created by mutual agreement between the ISFC and the above mentioned parties (1.2-1.3-1.4) as declared under the CSMBR previous regulations;
- 1.5. in September 2018 the ISFC has autonomously decided to support Dr Bigotti's request to make available the DOMUS COMELIANA as the permanent seat of the CSMBR;
- 1.6. the ISFC has, by the same token, autonomously decided to support Dr Bigotti's request to make available a permanent budget to the CSMBR for

the promotion of scientific and academic events.

## REGULATIONS

In consideration of the foregoing,

**THE PRESENT REGULATIONS ARE HEREBY MEANT TO UPDATE ANY PREVIOUS AGREEMENTS AND/OR COMMITMENTS THE ISFC HAS MADE FOR THE PAST, AND THEY WILL BECOME LEGALLY BINDING AT THE MOMENT OF THEIR SIGNATURE.**

# II

## **NATURE, AIMS & PRINCIPLES**

### **2.1. NATURE**

- 2.1.1. The CSMBR is an International Institute of advanced studies in the history of medicine, science, and technology;
- 2.1.2. The definition of the nature of the CSMBR is meant to include the medical humanities broadly construed (medicine and history of medicine, science and history of science, philosophy and history of philosophy, history of the book, philology, lexicography, classical studies, etc...) with a view to always further the intellectual and universal knowledge in all these areas;
- 2.1.3. History of medicine, science, and technology are meant as the study of European History (including its overlapping with other cultures and civilisations) throughout the so-called Medical Renaissance (1300-1700) and with a particular emphasis on the Italian Renaissance;
- 2.1.4. The CSMBR is constituted as an organ of the ISFC acting in partnership with national and international institutes of research worldwide (see also partnerships).

### **2.2. AIMS AND STRATEGIES**

- 2.2.1. The CSMBR furthers the values of medical humanism and the advancement of human knowledge by encouraging the widest scientific and academic cooperation among scholars and students of any nationality, by creating opportunities to share, evaluate and produce knowledge as well as by sponsoring students (BA, MA, PhD), early career researchers (Postdocs) and academics committed to studying the histories of medicine and science;
- 2.2.2. The instruments by means of which the CSMBR seeks to promote its aims are:

- a. Grants, Fellowships, Awards;
- b. Conferences, Symposia, Workshops, Summer Schools, Masters, Erasmus, etc;
- c. Publications of articles, studies, conference proceedings and books.

### **2.3. FUNDAMENTAL PRINCIPLES**

- 2.3.1. The CSMBR exclusively pursues scientific and cultural goals;
- 2.3.2. The CSMBR is open to scholars of any nationality, without discrimination (direct or indirect) of ethnicity, gender, age, political ideology, religious beliefs, or sexual orientation.
- 2.3.3. The CSMBR neither seeks nor promotes any political goals. Any activity directly or indirectly involved in political activism of any kind, besides those pursued in respect of the law, is incompatible with the CSMBR strategies.
- 2.3.4. With the only exception of direct offence or discrimination, the CSMBR is committed to allowing and promoting the greatest possible freedom of speech.

# III

## OBLIGATIONS

### 3.1. OBLIGATIONS FOR ALL MEMBERS

All members of the CSMBR (Partner Institutions, Governing Board, Scientific Committee, Editorial Board) commit themselves to:

- 3.1.1. Actively supporting and promoting all the activities of the CSMBR among colleagues, students, and by using all available means either personal or academic;
- 3.1.2. To consider whether any activities they are planning might benefit from engagement with the CSMBR and, if so, to bring it to the notice of the CSMBR Governing Board or directly to the Director;
- 3.1.3. Help revising the proposals for the international schemes, events, grants, and publications promoted by the CSMBR;
- 3.1.4. Offering their scientific expertise for free, whenever needed.

### 3.2. MORAL OBLIGATIONS FOR ALL MEMBERS

- 3.2.1. Members of the CSMBR are required to absolve their duties with dignity and decency.
- 3.2.2. Non-compliance with the CSMBR fundamental principles (under section 2.3.1-4) is subject to temporary or perpetual exclusion from the CSMBR upon unquestionable decision, by majority, of the Governing Board.
- 3.2.3. Any member of the CSMBR found to directly or indirectly pursuing the activities mentioned under section 2.3.3 by means of any of the CSMBR facilities, networks or instruments (either digital and/or physical), and in any other form related to or affecting (directly or indirectly) the CSMBR, is immediately and perpetually expelled from the CSMBR.

- 3.2.4. Conviction under criminal offence results in the immediate expulsion from the CSMBR.

# IV

## SEAT & USAGE OF THE FACILITIES

### 4.1. SEAT

- 4.1.1. The seat of the CSMBR is located within the facilities of the DOMVS COMELIANA, via Cardinale Pietro Maffi 48, 56126 Pisa, Italy.

### 4.2. USAGE OF THE DOMUS COMELIANA

- 4.2.1. DOMVS COMELIANA is made available free of charge for activities approved by the CSMBR Governing Board;
- 4.2.2. With a notice of at least two months, as well as upon compliance with the conditions under sections 4.2.3-5 of the present regulations, the DOMVS COMELIANA can be made available to any of the CSMBR members for the organisation of events contemplated under section 2.2.3-4;
- 4.2.3. Access to the DOMVS COMELIANA is subject to approval from the Governing Board upon availability and formal agreement to pay for the costs contemplated of its maintenance;
- 4.2.4. Costs for the maintenance of the DOMVS COMELIANA are decided yearly by the Governing Board;
- 4.2.5. The CSMBR partner institutions and fellows - these latter upon approval from the Governing Board - are entitled to a discount when using the DOMVS COMELIANA up to paying for the sole maintenance expenses.

# V

## OFFICES, FUNCTIONS & GOVERNING BOARD

### 5.1. OFFICES AND FUNCTIONS

- 5.1.1. All the offices and functions contemplated under the CSMBR Regulations are honorific;
- 5.1.2. Each member of the CSMBR (i.e. Governing Board, Scientific and Editorial Committees) will be taking care of their own expenses, unless deliberated otherwise by the Governing Board;
- 5.1.3. Until further evaluation by the Governing Board, the participation to the CSMBR does not require any onerous commitment to its members;

### 5.2. COMPOSITION OF THE GOVERNING BOARD

- 5.2.1. The Governing Board is composed of members elected by the ISFC in recognition of their scientific reputation and/or in consideration of their active contribution to the development of the centre's strategies.
- 5.2.2. Upon signing the present regulations the elected members seat as permanent members of the Governing Board, unless decadence from their role is declared.
- 5.2.3. Members may decline from their position within the Governing Board upon failing to comply with the present regulations, and specifically: for hindering the normal activity of the CSMBR, for any not declared vested interest in the evaluation process, for incompatibility with the strategies of the CSMBR as well as in all other cases declared under titles 3.2 of the present regulations. The decadence will be decided by the delegates of the ISFC and the Director of the CSMBR and will be notified by letter.
- 5.2.4. By previous agreement of the candidates, the ISFC elects the Offices and Roles of the CSMBR as specified below:

## CSMBR - PISA

President	<i>Permanent Honorary Member</i>	Vivian NUTTON
Vice President	<i>Permanent Voting Member</i>	Jonathan BARRY
Director	<i>Permanent Voting Member</i>	Fabrizio BIGOTTI
Vice Director	<i>Permanent Voting Member</i>	Fabiola ZURLINI
Scientific Coordination & Budget Administration	<i>Delegate of the ISFC with Veto Right</i>	Tomaso M. PEDROTTI DELL' ACQUA

### 5.3. ROLE OF THE GOVERNING BOARD

- 5.3.1. The Governing Board represents the CSMBR political and scientific core. It extends its competence and authority to all decisions regarding the CSMBR activities, events and strategies.
- 5.3.2. Roles within the Governing Board are defined according to position, with Vice-positions acting on behalf of the person in the higher positions whenever they will not be able to.
- 5.3.3. Members of the Governing Board agree to bring together their expertise to further the activities of CSMBR as indicated under Section 2.2.
- 5.3.4. Wherever needed, and with assistance from members of the Scientific Committee if necessary, the Governing Board is responsible for evaluating and awarding any CSMBR grants.
- 5.3.5. The Governing Board meets twice a year in the facilities of the ISFC, either in Milan or in Pisa, upon previous communication of the possible date.

### 5.4. VOTE AND DECISION MAKING

## REGULATIONS

- 5.4.1. The decisions of the Governing Board are binding even if taken via digital devices (email, skype, phone etc.), provided that all the members have been informed and have had the possibility to express their vote;
- 5.4.2. A decision is valid when reached by simple majority;
- 5.4.3. With the exception of the Director, members of the Governing Board are entitled to one vote each;
- 5.4.4. The Director vote counts always as double. The double vote is meant to avoid deadlocks in decision making or solve possible vested interests in evaluation processes;
- 5.4.5. In case of vested interest the Director is allowed to vote on behalf of another member, for a maximum of one time;
- 5.4.6. In case of clear and consensual decision is reached, the Director may renounce his/her right to express a double vote;
- 5.4.7. Delegate/s of the ISFC participate in the voting process but they have also the right to veto decisions and thus to invalidate any decision taken by the Governing Board;
- 5.4.8. When vetoing decisions, ISFC representatives will motivate their decision.

# VI

## BUDGET

### 6.1 AMMOUNT OF THE ANNUAL BUDGET

- 6.1.1. The CSMBR total budget is the result of funding awarded by the ISFC plus the contributory shares of Partner Institutions.
- 6.1.2. The ISFC grants the CSMBR a functional budget which is inclusive of international schemes and awards. In addition to this, the ISFC grants to the CSMBR indirect funding consisting in the free usage of the DOMUS COMELIANA throughout the duration of CSMBR scientific events for a maximum number of days that is decided yearly by the Governing Board.

### 6.2. BUDGET APPROVAL AND ALLOCATION

- 6.2.1. Members of Governing Board aim at pursuing the maximum efficiency in terms of the results achieved and with a view to containing expenses.
- 6.2.2. The Governing Board is committed to keeping the budget balance. Principles under titles 6.1.1-2 apply both to the activities promoted by the CSMBR under section 2.2.2-3, and to the use of the DOMUS COMELIANA as specified under section 4 and subheadings.
- 6.2.3. Decision as to how to use the annual budget towards scientific events must be reached by simple majority of the members of the Governing Board including delegates of any Partner Institution.
- 6.2.4. Each of the participants in the voting process will be granted one vote (1 vote), with the sole exception of the Director, whose vote shall count as double (no. 2) in accordance with 5.4.4-5;
- 6.2.5. Whilst not directly involved in the scientific evaluation of the events, the ISFC delegate/s are granted the right to veto decisions (see 5.4.7-8).

# VII

## SCIENTIFIC COMMITTEE & EDITORIAL BOARD

### 7.1 SCIENTIFIC COMMITTEE

- 7.1.1. The Scientific Committee, as specified in Appendix A of the present Regulations, cooperates with the Governing Board towards the aims and strategies of the CSMBR, as specified under Section 2 and subheadings.
- 7.1.2. Along with members of the Governing Board, members of the Scientific Committee are competent at establishing the criteria under which fellowships, grants and international schemes granted by the CSMBR can be awarded.
- 7.1.3. Members of the Scientific Committee are of two kinds, ORDINARY AND ASSOCIATE FELLOWS (see APPENDIX I).
- 7.1.4. ORDINARY FELLOWS have the right to be part of the editorial committee of any CSMBR edited series in the capacity as co-editors. They could be summoned by the Governing Board in their quality as experts and may on occasion take part in the decisions process related to the organisation of scientific events. ORDINARY FELLOWS have the capacity to submit proposals for scientific events to be held at the DOMUS COMELIANA directly to the Governing Board. If selected, these proposals can be funded either partly or completely by the centre.
- 7.1.5. ASSOCIATE FELLOWS are young scholars or postdocs with no permanent academic position which share the CSMBR mission and aims.
- 7.1.6. Members' position is determined and reviewed annually by the Governing Board on the basis of their CV, academic relevance, with ORDINARY FELLOWS being usually Full or at least Associate Professors.
- 7.1.7. New members of the Scientific Committee are accepted within the CSMBR upon formal request to join the Centre and as consequence of the approval of their candidacy by the Governing Board.

**7.2 EDITORIAL BOARD**

- 7.2.1. The Editorial Board, as represented for its number and roles in Appendix B, is responsible for the publication of the series PALGRAVE STUDIES IN MEDIEVAL AND EARLY MODERN MEDICINE edited by Jonathan Barry and Fabrizio Bigotti and published by PALGRAVE MACMILLAN - SPRINGER NATURE.
- 7.2.2. Wherever possible and/or suitable each member of the CSMBR will accord preference to the CSMBR publication outlets, either in form of books, or in the form of conference proceedings and articles.

# VIII

## **PARTENRSHIPS**

### **8.1 PRINCIPLES**

- 8.1.1. In promoting its scientific and cultural goals the CSMBR seeks to enact various forms of cooperation with institutes, centres of research, universities and similar partners worldwide.
- 8.1.2. Partnership with any such institutions requires for the partner institution to comply fully with the CSMBR aims, principles, strategies and moral obligations as declared under titles 2, 3 and 4 of the present Regulations.
- 8.1.3. Political or religious organisations are not eligible subjects to partner up with the CSMBR.
- 8.1.4. Partners Institutions must be recognized as scientific organisations by their country.

### **8.2 PARTNERSHIP AGREEMENT**

- 8.2.1. Acceptance of any national or international partner institution rests on the Governing Board alone, upon potential partners presenting their official request.
- 8.2.2. Upon asking for a partnership with the CSMBR, the partner institution commit themselves to supporting and advancing the aims and strategies of the CSMBR.
- 8.2.3. As a sign of its commitment, the Partner Institution pays to the CSMBR an annual contributory share which is added to the annual budget, as directed towards scientific events and other such activities.
- 8.2.4. Upon signing the Partnership Agreement, one delegate (1 delegate) of the Partner Institution is entitled to take part in the decision making related to any scientific events organised by the CSMBR Governing Board

as a representative of the partner institution.

### **8.3 CONTRIBUTORY SHARE**

- 8.3.1. The amount of the contributory share is determined by the governing board depending on the needs of the centre and the opportunities available to promote the growth of the centre. It can be increased each year of a fix amount.
- 8.3.2. The present amount (€ 1000 per institution) is not fixed and could be further increased, by the end of each year, in consideration of the widening scope of the CSMBR and if agreed jointly by the ISFC and the Partner Institution.
- 8.3.3. Renewal of the contributory share, including its gradual increase, is automatic, unless the Partner Institution decide to exercise the right to withdraw from the agreement (see 8.4 “Withdrawal from the Agreement”) or to redefine its position inside the CSMBR in agreement with all the other partners.
- 8.3.4. The contributory share is meant to be continuative for as long as the agreement between the CSMBR and the partner institution holds.

### **8.4. WITHDRAWAL FROM THE AGREEMENT**

- 8.4.1. Withdrawal from the agreement is permitted at any moment, but it should be communicated six months in advance and in a written form. In any case it must be communicated prior to the deadline for the contributory share to be paid.
- 8.4.2. Upon failing to pay the annual shares the title and the role of the Partner Institution decays and so does any role played by their delegates in the

## **REGULATIONS**

decision process of the CSMBR. In case of delegates being members of the CSMBR editorial scientific committee and/or editorial board, their position may be kept in place, if so agreed by the Governing Board.

### **8.5. DESTINATION OF FUNDING**

- 8.5.1. The contributory share will be added to the funding provided by the ISFC and the other partners towards the organisation of conferences, colloquia and other such events as determined by the CSMBR General Regulations under titles 2.2. of the present regulations.
- 8.5.2. Funding provided by the ISFC for fellowship and grants will remain exclusive prerogative of the ISFC and, while supporting the events decided by the Governing Board and the Partner Institution/s, these funds cannot be misappropriated or added to the amount allocated to the event.
- 8.5.3. The contributory share is not refundable and shall remain part of the CSMBR cash deposit for the organisation of CSMBR future events.

### **8.6. EFFECTS OF THE PARTNERSHIP AGREEMENT AND USAGE OF THE CSMBR FACILITIES**

- 8.6.1. Upon signing the Partnership Agreement, each partner institution (as represented by their delegate) becomes officially a Partner Institution of the CSMBR.
- 8.6.2. Delegate/s of the Partner Institution become Ordinary Fellows of the CSMBR Scientific Committee.
- 8.6.3. Delegate/s of the Partner Institution become Associate Editors of the series PALGRAVE STUDIES IN MEDIEVAL AND EARLY MODERN MEDICINE (PSMEMM), directed by Jonathan Barry and Fabrizio Bigotti and sponsored

by the CSMBR.

8.6.4. On behalf of their institutions, delegates will be entitled to:

- Partake in any aspects of the CSMBR decision process with regards to scientific strategies, priorities, and destination of funding (i.e. either towards candidates and/or scientific events).
- Promote scientific events that will be funded by drawing from the csmbR total budget (i.e. the ISFC budget devoted to scientific events, plus any contributory shares from partner institutions, depending on their actual number and availability of prior unspent deposit).
- Propose titles for books that, upon meeting editors' requirements of scientific quality and relevance, will be published in the PALGRAVE STUDIES IN MEDIEVAL AND EARLY MODERN MEDICINE;
- Propose candidates for Grants, Awards and Fellowships sponsored by the ISFC;
- Have access to the Domus Comeliana free of charge, when organising events approved by the CSMBR;

Further opportunities will include:

- Academic visibility, the logo of the Partner Institution will appear in all CSMBR events;
- Continuity and Internationalisation. The Partner Institution will be part of an international network of high-profile Academic Institutions and considerably increase the number of events that are associated to its name;
- Access to the Domus Comeliana with a discount up to the sole costs

## REGULATIONS

of its maintenance, when organising events that fall outside the CSMBR activities but are compliant with its scientific strategies and aims as decided by the Governing Board.

- 8.6.5. The opportunity to host CSMBR events to be held at places different from the Domus Comeliana, might be guaranteed upon meeting three consecutive criteria: a) that at least one (no.1) event has already been organised at the Domus Comeliana, b) in case of any unspent deposit c) upon reaching a majority decision of 2/3 by the members of the Governing Board and Delegate/s of the Partner Institution/s.

### 8.7 OBLIGATIONS FOR PARTNERS INSTITUTIONS

- 8.7.1. Delegates of the Partner Institution are requested to attend at least one of the two annual meetings of the CSMBR Governing Board.
- 8.7.2. If unable to attend, delegate/s may delegate another member, whose vote shall then count as double, for a maximum of 1 delegation every 2 years.
- 8.7.3. N.B. In consideration of the fact that positions within the CSMBR are honorary, the CSMBR shall not be bound to compensate members for any costs incurred when attending the CSMBR meetings.
- 8.7.4. The Partner Institution is requested to host a link to the CSMBR website and to co-sponsor its activities when suitable. The CSMBR will reciprocate this for any of the Partner Institution events on its website.
- 8.7.5. Events held at any of the CSMBR Partner Institutions will be publicized jointly as a token of international cooperation.
- 8.7.6. Delegate/s of the Partner Institutions may be asked to offer their academic expertise for free when evaluating schemes, candidates for

fellowships, book proposals or projects submitted to the CSMBR.

# IX

## **DURATION & VARIATIONS**

### **9.1. DURATION**

- 9.1.1. As a free cooperation of scholars and academics for the advancement of human knowledge and the development of ideas, a specific date for the ending of the the CSMBR activities is not foreseen.
- 9.1.2. Each member has the right to retire from the commitment of the CSMBR by previous notice of at least 6 months, taken for granted the commitment of bringing to completion any activities undertaken meanwhile as member of the CSMBR, even if extending beyond the term of the given notification.

### **9.2. VARIATIONS**

- 9.2.1. Any variation, addition, expansion to the present Regulations shall be communicated in a written form and shall be subsequently added to the present Regulations.
